**REMARKS**

This Amendment is filed in response to the Office Action mailed on September 14, 2004, in connection with this case. In that Office Action, the Examiner rejected pending claims 1-7 under the doctrine of statutory double patenting based on claims 1-7 of U.S. Patent No. 6,659,312.

By this amendment, the Applicant has amended claim 1 of the present application to recite a structure different from claim 1 of the '312 patent. The Applicant respectfully submits that the amendment to claim 1 renders moot the double patenting
